# Children and Adolescents with Problematic Sexual Behavior

## Professional Resources

### Comprehensive

The mission of NCSBY is to promote **better lives, through better choices** by youth, caregivers, and professionals for healthier responses to and prevention of problematic sexual behavior of youth. NCSBY provides national training and technical assistance to improve the accuracy, accessibility, and strategic use of accurate information about the nature, incidence, prevalence, prevention, treatment, and management of children and adolescents with problematic sexual behavior.

### Addressing PSB in CACs

NCA developed a video training series, fact sheets, webinars, and best practices to support CACs addressing this issue and serving youth with problematic sexual behaviors, their victims, and families. The three fact sheets were developed for use by CACs to educate themselves, their partners, caregivers, and communities on addressing youth and families with PSBs.

Use the link below to access the training series. Use code **15462** for the organizational ID.

Use the link below to access the Engagement Webinar. Use code **15462** for the organizational ID.

### Books

Parents and families play a significant role in the successful treatment of their children and adolescents. Written by two of the leading experts in the field, each *Taking Action* booklet provides concise and practical information families and caregivers need to prepare for the important challenges ahead.

### Fact Sheets

NCTSN Mission: To raise the standard of care and improve access to services for children, their families, and communities throughout the United States.

Publications and other information for parents and caregivers as well as professionals on trauma. Fact sheets on children with PSB collaboratively developed with NCSBY.

### Stop It Now!

Stop It Now! prevents the sexual abuse of children by mobilizing adults, families and communities to take actions that protect children before they are harmed by providing support, information, and resources. For resources on children and adolescents with problematic sexual behavior, visit “Help & Guidance – Children’s Behaviors” and available webinars.

The Association for the Treatment of Sexual Abusers is an international, multi-disciplinary organization dedicated to making society safer by preventing sexual abuse. ATSA promotes sound research, effective evidence-based practice, informed public policy, and collaborative community strategies that lead to the effective assessment, treatment, and management of individuals who have sexually abused or are at risk to abuse.

www.ATSA.com

MASOC’s mission is to ensure that children and adolescents with problematic or abusive sexual behaviors live healthy, safe, and productive lives. We strive to prevent sexually abusive behaviors in these youth by training professionals and education the community about developmentally appropriate interventions, evidence-based treatment, and effective public policies.
